

We appreciate the ongoing updates from the field on exactly what the "Arizonans for Wildlife" (HSUS) are up to. As we've reported numerous times, HSUS and Arizonans for Wildlife are one and the same.

How can you tell? Let's start with Kellye Pinkleton. She is the Campaign Director for Arizonans for Wildlife. But wait, the same Kellye Pinkleton is also the Arizona State Director of the Humane Society of the United States!

See for yourself. <https://www.youtube.com/watch?v=cBgOy-pO-4w>

As you go into the weekend, here is a training video they are promoting: <https://www.youtube.com/watch?v=7-7ePpLSH2Q&feature=youtu.be>

They want to ban "trophy hunting" ...which Arizona does not have, and stop the killing of ocelots, jags and lynx. We can't find anywhere in the North America where it's legal to kill ocelots, jags and lynx, let alone in Arizona. They are protected species under the Endangered Species Act!

So where might you find these HSUS signature gatherers? Click here to learn where: <https://azforwildlife.com/gather>

We've had several reports of their presence at the Phoenix Zoo and we've followed up on them. They have a permit to be there, FYI.

They also have permission to be at Whole Foods. We have had several readers write Whole Foods and tell them they will no longer patronize their stores. Here's their contact information if you'd like to do the same thing! Email: customer.care@wholefoods.com Telephone: 1-844-936-8255

As you prepare for next week and aren't doing anything on Thursday the 22nd from 6 pm to 7 pm, you could participate in their "Volunteer Call". If you do, make sure you're courteous and respectful. Here is the information to join the call: Dial 1-800-504-8071; Access Code 6975771#; Passcode 1971#

Finally, we encourage you to visit signature gathering locations to monitor what they are doing, pass out factual information, and speak with owners/managers at these locations politely asking they be removed. We have Decline to Sign flyers like the one found [HERE](#) available for you to hand out, so if you would

like some, email us your information at info@azsfwc.org and we will make arrangements to get them to you.

Jim Unmacht
Executive Director
